

# Chronicle Praises Contributors

“The General Nathanael Greene Chapter’s *Chronicle of Possessions* praises the generosity of those who have so unselfishly donated to and advanced our Chapter. The *Chronicle* symbolizes the culture, history, spirit, and tradition of the Chapter in honor of the American Revolution,” said Robert Evans, President of the General Nathanael Greene Chapter. The *Chronicle* presents the Chapter’s Documents of Distinction, Articles of Significance, and Flags of the Color Guard which were virtually all donated by Chapter members. The extensive list of items are illustrated and include the Charter which founded the Chapter on March 19, 2005; the Affirmation Document of the founding Charter Members of the Chapter; a bust of George Washington; the President’s Ribbon and Insignia; General Nathanael Greene Gavel, Block, and Assembly; Officers’ Ribbons and Insignias; and the very impressive collection of the Flags of the Color Guard. The *Chronicle* discusses each item and the party making the donation.
